

CHRISSIE SAINS

JOB: Author and guinea pig whisperer

BEST TOAST TOPPING: Proper butter and raspberry jam.

GREATEST ACHIEVEMENT: I won the parents' race on school sports day two years in a row.

MOMENT OF FAME: I played the violin on Blue Peter as part of my school orchestra (except my music fell off the stand so I was only pretending to play).

BEST (ANIMAL) PARTNER IN CRIME: My childhood guinea pig, Boris. He would wee on everyone else except me (because of my guinea pig whispering skills).

JENNY TAYLOR

JOB: Illustrator

BEST TOAST TOPPING: Crunchy toast with boring butter, but chocolate spread if I'm feeling adventurous!

WOULD LIKE TO INVENT: I'd invent a walkie-talkie-like contraption that lets you translate what your pet is saying.

OPINION ON BRUSSEL SPROUTS:
Younger Jenny = eeeewww! Adult Jenny = meh

BEST (ANIMAL) PARTNER IN CRIME: Maybe a dog (although their lack of thumbs may cause issues down the line...) OR an otter (because I like them).
